Mayor Ed Lee and TJPA Agree Roof Top Park to Open Concurrently with Transit Center

“Today the TJPA and the Mayor's Office agreed to work together to ensure that the roof top park opens concurrently with the opening of the Transit Center in late 2017 as promised to the community. Both parties expressed their desire and commitment to find a way to ensure that this important public benefit maintains its original schedule,” said Adam Alberti, spokesman for the Transbay Joint Powers Authority.
