

Exhibit “H”

Scope of Work

On-Call, As Needed, Door and Glazing Services

LPC is seeking proposals from qualified firms to provide professional services following the scope of work and guidelines listed below.

Contractor certifies as having knowledge in the area of, and is limited to, the fabrication, installation and attachment of all types of windows and glass, whether fixed or movable; the installation of swinging or sliding glass doors to existing walls, floors, columns or other structural members of the building. Contractor might be asked to install prefabricated glass, metal or plastic curtain walls or panels.

1. Contractor represents that all information contained in the proposal is true and correct.
2. In submitting a proposal for this project, the bidder is not required but we recommend your firm visit the project and examine the site to fully understand the materials, labor and workmanship required and the conditions under which your company will need to operate.
3. Contractor shall have the ability to provide 24-Hour Emergency Response Services on an as needed basis.
4. Please see Exhibit C for pricing sheet.
