## Salesforce Center and Park Closure Notice

The Transbay Joint Powers Authority (TJPA), owner and operator of the Salesforce Transit Center and Rooftop Park, is working with its asset manager, Lincoln Property Company, to perform regular maintenance of the Transit Center and Park. Due to this, the TJPA will close the Transit Center and Park during its regular operating hours on the following Saturdays, April 22 and April 29, 2023. We will reopen for normal operations on the following Sundays, April 23 and April 30, respectively. We apologize for any inconvenience and appreciate your understanding.

During the closures on April 22 and April 29, note the following regarding transit services at the Center:

- **TEMPORARILY RELOCATED:**
  - **Transit services from the third-floor bus deck** where AC Transit, WestCat Lynx, SF Municipal Transportation Agency (SFMTA) Treasure Island service, and Greyhound is found, will be relocated to street level. Signs will be placed around the entrances of the Transit Center detailing where riders can find their bus connections. Refer to your transit provider or visit 511 for the latest information on your transit connections.
- **OPERATING AS NORMAL:**
  - **Transit services at the street level bus plaza**, where Golden Gate Transit and in-city SFMTA services are located, will operate as normal.
  - **Paratransit services** will operate as normal from Natoma and Fremont streets.
