NOTICE: Parking Lot at 81 Minna St. to Close September 1, 2009

This parking lot is scheduled to close Tuesday, September 1st, in order to allow site preparations for the new Transbay Transit Center. The new Transit Center will replace the current Transbay Terminal at First and Mission streets with a modern regional transit hub which will serve nine transportation systems, including California High Speed Rail.

We encourage you to plan ahead. For a list of parking alternatives in the area and alternative transportation options, please visit: www.transbaycenter.org/transbay/alternatives.html

We thank you for your patience and apologize for any inconvenience.

For more information about the project, please visit: www.transbaycenter.org
