REQUEST FOR PROPOSALS No. 20-09 Fire Life Safety Sprinklers Testing Maintenance Services

QUESTIONS & ANSWERS

The following questions were received related to the above-referenced RFP:

1. *Pertaining to work to be performed in the Train Box Area, any devices in-accessible or deemed unsafe by reasonable means (i.e. ladders or lift), please clarify who will be the responsible party to provide safe access to test devices above 12 ft.*

Onsite Engineering team will provide safe access, if needed, from 6 a.m. to 4 p.m.
(Weekdays only)

2. *Ceiling Tile Removal: Please clarify who's responsible for removing ceiling tiles in all areas required prior to inspection of fire alarm devices.*

Same as #1

3. *Badging, Access: Please clarify how badging and access will be administered for Technicians.*

Security team will issue badge and key access

4. *Devices inaccessible by ladder, please clarify who the responsible party will be to provide safe access, or lifts to test equipment.*

Same as #1
