2. Roll Call

Interim Secretary Pollitt announced that Director Chang was joining as Director Haney's alternate and Director El-Tawansy would not be present due to a scheduling conflict. He also announced that Alicia John-Baptiste was joining as the newly appointed San Francisco Board of Supervisors representative and Diane Shaw was joining as the newly appointed AC Transit representative.

3. Communications

Interim Secretary Pollitt provided instructions on the Public Call-in/Comment process.

4. Board of Director's New and Old Business

None.

5. Executive Director's Report

- Facility Operations Update

Interim Executive Director (ED) Gonzales welcomed Director John-Baptiste and Director Shaw to the TJPA Board of Directors. She stated the TJPA looks forward to working collectively to execute TJPA's initiatives and advance the Downtown Rail Extension (DTX) project. She also thanked former AC Transit representative, Director Hursh, for his contributions to the TJPA Board on delivering a world-class Transit Center and transit services to the public.

With President Joe Biden and Vice President Kamala Harris's inauguration in January, Interim ED Gonzales shared the TJPA's excitement for the new administration and the potential funding and support transit operators and their projects will receive over the next few years. She also noted the TJPA's excitement for the new Transportation Secretary, Pete Buttigieg, and his team of transportation experts, which consists of a few representatives from the Bay Area. She reported the TJPA continues to monitor the federal stimulus package as it makes its way through the legislative process, in hopes that the \$30 billion dollars identified for transportation, with \$1.7 billion in Bay Area formula funding and \$200 million to keep Bay Area's transit expansion and modernization projects on track, will be included in the final packet.

Regarding the global pandemic, the TJPA is optimistic of what is to come with the Regional Stay at Home Order being lifted and the City's slow reopening of services and outdoor dining. Interim ED Gonzales reported the TJPA continues to work with leasees to respond accordingly

to the updated Order. She also reported the TJPA continues to monitor the local and regional Stay Safer at Home Order to ensure the Transit Center fully supports the collective efforts to reduce the community spread of COVID-19. The TJPA continues to monitor and adhere to all guidance from the City's Health Officer and continues working with transit agencies and tenants. Additionally, the TJPA continues to provide commuters and visitors of the Transit Center the most up-to-date information about mask wearing and social distancing, while ensuring enhanced cleaning protocols remain in place.

With the increased rollout of vaccinations, TJPA expects more activity to occur at the rooftop park and noted the TJPA is working with Biederman Redevelopment Ventures to plan for and help ensure the TJPA is ready for increased activations sometime this Fall. Additionally, Interim ED Gonzales reported that TJPA hosted Salesforce for its annual company kickoff events which, once again, highlighted the rooftop park to an international audience that included their 50,000 employees and global partners.

Interim ED Gonzales stated the TJPA continues to advance the DTX project through multiple efforts with its Executive Steering Committee (ESC) partners, which include the development of a funding plan strategy, travel demand forecasting and ridership modeling. She further stated that she and ESC Chair Chang have been coordinating briefings with local and federal partners, such as Federal Transit Administration (FTA) Region 9 Regional Administrator, Ray Tellis and his local team in an effort to reintroduce them to the DTX project. Additionally, she expressed excitement for the launch of Link21, a mega-regional transportation project being led by BART and Capitol Corridor Joint Powers Authority (CCJPA), as the DTX is a linchpin to realizing the Link21 connection to the East Bay. She also reported that TJPA sent a letter to the Metropolitan Transportation Commission (MTC) in response to Plan Bay Area 2050's five-year implementation plan, requesting continued support for the DTX project in Resolution 3434 as a regional priority project to ensure it continues to receive funding through local and regional measures.

Interim ED Gonzales also stated that California High Speed Rail Authority issued its Revised Draft 2020 Business Plan for review and comment until March 12 and noted the TJPA effort and commitment to deliver passenger rail service to the State.

Interim ED Gonzales concluded her report by noting the Citizens Advisory Committee (CAC) recruitment process was underway and she encouraged anyone that meets the requirements to apply as applications are due on February 26, 2021.

John Updike, TJPA Facility Director, presented the Facility Operations update.

6. Citizens Advisory Committee Update

Derrick Holt, TJPA CAC Chair, reported the CAC had a productive meeting on February 9, thanked Interim Board Secretary Pollitt for serving as the CAC Secretary and appreciated the updates on several topics and TJPA initiatives by Lily Madjus Wu, TJPA Communications and Legislative Affairs Manager.

He noted the CAC is actively recruiting new members and thanked current CAC members, who will be terming out, for their support and guidance in advancing the Transbay Program.

He stated that the CAC appreciated the presentation by BART and CCJPA representatives regarding the Link21 project and the potential it has on the future of Bay Area transportation. He also stated the CAC appreciated the presentation on Demand Forecasting by Jesse Koehler, San Francisco County Transportation Authority (SFCTA) Rail Program Manager.

He concluded his report by noting that the CAC suggested the TJPA use its outdoor space for educational purposes given the park has free Wi-Fi and with the addition of new members joining, a virtual tour of the Transit Center is recommended if a physical tour is not possible.

Public Comment:

Roland Lebrun expressed concern regarding the design of the DTX project and noted the profound impact it is having on projects like Link21, which includes the 2nd Street alignment.

7. Public Comment

Members of the public may address the Authority on matters that are within the Authority's jurisdiction and are not on today's calendar.

Jim Patrick echoed Mr. Lebrun's comments made on the previous item, specifically the 2nd Street alignment and suggested the Board solicit a presentation from Mr. Lebrun regarding his ideas on alternative alignment options.

THE FOLLOWING MATTERS BEFORE THE TRANSBAY JOINT POWERS AUTHORITY ARE RECOMMENDED FOR ACTION AS STATED BY THE INTERIM EXECUTIVE DIRECTOR OR THE VICE CHAIR.

REGULAR CALENDAR

8. Approving updated Board Policy No. 001, Procurement Policy.

Erin Roseman, TJPA Chief Financial Officer, presented the item.

No public comment.

RESOLUTION 21-005
