Walsh, TJPA Facility Director, introduced the item and Ben Brandin, Transbay Project Manager at the Office of Community Investment and Infrastructure (OCII), along with Alok Viyas of OCII, Chris Guillard and Sam Woodhams-Roberts of CMG Landscape Architecture, and Yakuh Askew of Y.A. Studio presented the item.

Public Comment:

Mr. Patrick shared it is important for TJPA to continue to be the owner of the new park.

Bryan Dahl, legislative aide to District 6 Supervisor Matt Dorsey, voiced the Supervisor's support for the proposed park as it will change a largely unused space in the East Cut neighborhood into a safe and welcoming asset, along with helping downtown San Francisco reposition itself into a globally recognized urban redevelopment success. He concluded by stating the Supervisor supports the timely completion of the project.

Celestry stated that it is important to build the proposed park on schedule as the current open space will be reduced when affordable housing is built at the Crossing and the park will add needed recreation space to the neighborhood.

Koshel, a resident of the East Cut, shared that he along with his neighbors own dogs and need places to walk them, which this park will provide.

Mr. LeBrun shared that the construction of the Downtown Rail Extension would impact the new park's development.

#### 7. Downtown Rail Extension/The Portal Workplan Schedule Update (10 minutes)

Alfonso Rodriguez, TJPA Project Director, presented the item.

#### Public Comment:

Mr. LeBrun stated that he hopes the reports from the Project Management Oversight Consultant and Financial Management Oversight Consultant will be shared.
