## STAFF REPORT FOR CALENDAR ITEM NO.: 8.2

FOR THE MEETING OF: June 13, 2024

### TRANSBAY JOINT POWERS AUTHORITY

#### **BRIEF DESCRIPTION:**

Approve the Operating Agreement Template forms dated June 13, 2024, Implementing Agency Resolutions of Project Compliance for the allocation of Regional Measure 2 funds in the amount of \$8,711,240 and Regional Measure 3 Funds in the amount of \$3,549,361, and the required Certification of Assurances.

#### **EXPLANATION:**

On March 2, 2004, voters passed Regional Measure 2 (RM-2), raising the toll on the seven State-owned toll bridges in the San Francisco Bay Area by \$1.00. RM-2 establishes the allocation of RM-2 funding for the operation and maintenance of the Salesforce Transit Center, as well as the operation and maintenance of the temporary terminal. The amount identified in RM-2 legislation is \$3 million annually, escalated by 3.5 percent annually beginning in July 2004. As of July 2023, the escalated amount is \$6,178,295.

In July 2017, the Metropolitan Transportation Commission (MTC) took action to allocate an additional \$3 million per year, without escalation, to support operations of the Transit Center for an initial five-year period, after which the need for funding would be reassessed. At its May 22, 2024 Programming and Allocations Committee meeting, MTC staff recommended continuing RM-2 operating funding through at least FY 2024-25, at which point the need for ongoing RM-2 Operating support will be reassessed. MTC staff has also advised that, similar to the previous two years, they anticipate lower bridge toll revenue available and a reduction to the \$3 million allocation to the current recommended amount of \$2,532,945. Thus, the total RM-2 allocation is \$8,711,240.

On June 5, 2018, voters passed Regional Measure 3 (RM-3), raising the toll on the nine State-owned toll bridges in the San Francisco Bay Area by \$1 beginning January 2019. Tolls were increased by another \$1 in January 2022, with another \$1 increase set for January 2025. The MTC's RM-3 Expenditure Plan identifies annual operating funds for Terminal Operations at the Transbay Terminal, now known as the Salesforce Transit Center, equal to a percentage of the actual bridge tolls collected and not to exceed \$5 million. The FY 2024-25 amount anticipated to be available on a reimbursement basis is \$3,549,361.

MTC requires that TJPA formally request the operating and maintenance funds each fiscal year, via submission of an Implementing Agency Resolution approved by the TJPA Board, an Operating Agreement Template form, and a Certification of Assurances. The Operating Agreement Template forms are based on the FY 2024-25 draft operating budget of approximately \$27.6 million.

The balance of operating expenses not covered by the RM-2 and RM-3 operating allocations will be covered by a combination of lease, sponsorship, and advertising revenues, community benefit district assessments, cellular antennae licensing fees, and transit operator contributions.

## **RECOMMENDATION:**

Approve the Operating Agreement Template forms dated June 13, 2024, Resolutions of Project Compliance for the allocation of RM-2 funds in the amount of \$8,711,240 and RM-3 Funds in the amount of \$3,549,361, and the required Certification of Assurances.

RESOLVED, That the Transbay Program, including the temporary terminal and transit center facilities, is consistent with the Regional Transportation Plan; and be it further

RESOLVED, That the TJPA is an eligible recipient of Regional Measure 2 funds; and be it further

RESOLVED, That there is no pending or threatened litigation which might in any way adversely affect the project, or the ability of the TJPA to deliver the project; and be it further

RESOLVED, That there are no obligations of the TJPA having a statutory or first priority lien against the toll bridge revenues; and be it further

RESOLVED, That Regional Measure 2 funds received by the TJPA in prior years have been included in the TJPA's general fiscal audit for such years. The TJPA will include any Regional Measure 2 funds allocated under the Application in its general audit for the year in which the funds are requested; and be it further

RESOLVED, That the TJPA indemnifies and holds harmless MTC, its Commissioners, representatives, agents, and employees from and against all claims, injury, suits, demands, liability, losses, damages, and expenses, whether direct or indirect (including any and all costs and expenses in connection therewith), incurred by reason of any act or failure to act of the TJPA, its officers, employees or agents, or subcontractors or any of them under the requested allocation of Regional Measure 2 funds in the Application. In addition to any other remedy authorized by law, so much of the funding requested to be allocated under the Application as shall reasonably be considered necessary by MTC may be retained until disposition has been made of any claim against MTC for damages; and be it further

RESOLVED, That the Executive Director is hereby delegated the authority to make nonsubstantive changes or minor amendments to the Application as they deem appropriate; and be it further

RESOLVED, That the Executive Director, consistent with this resolution and the Application, is hereby delegated the authority to execute such agreements, project reports, allocation packages, and other items, make certifications and assurances, and take actions as may be required in order to receive the Regional Measure 2 allocation requested in the Application.
