- (c) **Liquidated Damages and Interest Assessments** - Because of the difficulty of determining the actual expense of collection or of damage resulting when a monthly payment is delinquent, liquidated damages, as well as interest, shall be assessed against both delinquent contributions and payroll deduction remittances, referred to in this Article, together with reasonable attorneys fees and any other expenses incurred in connection with the delinquency. The amount of liquidated damages shall be the greater of twenty percent (20%) of the delinquent contributions and payroll deductions or one hundred fifty dollars (\$150.00) per month, or the interest accrued until those contributions and payroll deductions are paid, whichever is greater. However, if the delinquencies are paid prior to the filing of a lawsuit, liquidated damages shall be the greater of ten percent (10%) of the delinquent contributions and payroll deductions or one hundred fifty dollars (\$150.00), not to exceed seven hundred fifty dollars (\$750.00) per month. Interest shall be assessed on delinquent contributions and payroll deductions at such rate as the Trustees of the Trust Funds may determine. The amount of the assessments on delinquent payroll deduction remittances shall be the same as is established by the Trustees of the District Council 16 Northern California Health & Welfare Trust Fund.
- (d) **Economic Action** - If the required contribution and liquidated damages owed by the delinquent Employer to any or all of the Funds, or the payroll deductions and/or other contributions referred to in this Article, are not received by the last day of the month in which they are due and payable, then in addition to the foregoing it shall not be a violation of this Collective Bargaining Agreement for the Union to withdraw employees from the job or shop of such delinquent Employer. Any employee withdrawn from the job or shop of the delinquent Employer, pursuant to this Section shall be paid by such Employer the sum of one (1) days' wages and fringes for each day of work lost by the employee being so withdrawn up to a maximum of five (5) days to compensate the employee for the inconvenience and loss of time due to said delinquency. In addition the Union shall have such further remedies as set forth in this Agreement.
- (e) **Rights and Remedies** - The rights and remedies against a delinquent Individual Employer as set forth above are not exclusive but are cumulative and nothing in this Article shall in any way limit any one's right to enforce the collection of contributions or payroll deductions by any legal means. The Board of Trustees of each Trust Fund may compel and enforce the payment of the contributions in any manner in which they may deem proper; and the Board of Trustees may make such additional rules and regulations to facilitate and enforce the collection and payment thereof as they may deem appropriate. The Board of Trustees may, in the event of repeated delinquencies by the same Employer, make special rules applicable to such Employer's contributions, including rules requiring bond or other security and rules with respect to the due and/or delinquent date of said Employer's contributions. Failure of an Employer to pay the contributions required hereunder within fifteen (15) days after the date due shall be a violation of the collective bargaining agreement between the said Employer and the Union, as well as a violation of the Employer's obligations hereunder. Nonpayment by an Employer of any contributions when due shall not relieve any other Employer from his obligations to make payments.
- (f) **Place of Payments** - All contributions and payroll deductions referred to in this Article shall be paid at the place or places designated by the Trusts, NCPFC and the Union, and on such forms as they may require.

- (g) **Minimum Contribution Rates** - The Employer and the Union party to this Agreement recognize and acknowledge the Trustees' rights to set minimum contribution rates for participation in their respective Funds. Should the total wage package not be sufficient to provide minimum rates required, the parties recognize that the Trusts specified in the Agreement cannot continue to provide such benefits and other arrangements will have to be made to provide them.
