**\*\*Media Advisory\*\***  
**Beale Street Closure from Sunday, December 13**  
**Until Mid-January**

**What:** The Transbay Transit Center Project's steel assembly has been steadily progressing towards Beale Street over the past few months. Starting Sunday, December 13, steel assembly will begin at Beale Street.

In order to safely perform this overhead steel assembly, Beale Street will be fully closed, with the exception of 3:30 p.m. to 7:30 p.m. No through vehicular traffic will be permitted while this work is being performed.

**Why:** This overhead steel assembly work must occur while the street is closed due to public safety and SFMTA regulations.

**When:** Beginning Sunday, December 13 until mid-January, Beale Street between Mission and Howard Streets will be closed. One lane only will reopen between the hours of 3:30 p.m. and 7:30 p.m.

If you have any urgent questions regarding site-specific construction activities, please call our 24-hour construction hotline: (415) 409-TJPA (8572)
